UJJWAL MAHAJAN

ABOUT ME

Enthusiastic software developer in the making, with a strong desire to build a career in the field. Currently pursuing a Bachelor's degree in Electronics and Telecommunication from COEP Technological University. A well-rounded individual with an excellent academic background, extracurricular achievements, and passion for technology. Adept at video editing, graphics designing, and team coordination, with a desire to continuously develop new skills and knowledge. Driven to make a positive impact in the tech industry through my passion and dedication.

EDUCATION

SSC
GRADE-96.2%

KC INTERNATIONAL SCHOOL, JAMMU

I am proud to have achieved a high score in my Secondary School Certificate (SSC) exams, demonstrating my academic progress and dedication to learning. My strong foundation in key subjects sets the stage for my continued success in higher education and beyond.

HSC
GRADE-96.5%

KC INTERNATIONAL SCHOOL, JAMMU

My Higher Secondary School Certificate (HSC) education built upon my strong foundation from SSC and allowed me to dive deeper into my favorite subjects. I am proud to have achieved a high score in my HSC exams.

BTECH
2021-PRESENT

COEP TECHNOLOGICAL UNIVERSITY

I am currently pursuing a Bachelor of Technology (BTech) in Electronics and Telecommunications from the COEP Technological University. This program is helping me to develop a deeper understanding of my chosen field and gain valuable hands-on experience.

EXPERIENCES

DESIGNING AND VIDEO EDITING
AUGUST'22-PRESENT

MINDSPARK'22 COORDINATOR

Worked as a design coordinator for MindSpark, the technical festival at COEP Technological University. Utilized design skills to create impactful events, gained real-world experience and professional growth.

GRAPHIC DESIGNING
SEPTEMBER'22-PRESENT

IMPRESSIONS'22 COORDINATOR

Worked as a graphic design coordinator for Impressions, the cultural festival at COEP Technological University. Contributed to event success using design skills and teamwork. Gained event coordination experience.

DESIGNING AND VIDEO EDITING
JANUARY'23-PRESENT

SPANDAN COORDINATOR

Recently joined Spandan as a coordinator, an initiative by COEPians, working towards helping the underprivileged and improving the lives of people through technology and social activities.

ASPIRATIONS

As an aspiring software developer, my goal is to enhance my skills in data structures and algorithms and gain practical experience through web development projects. I am also seeking opportunities in video editing for a large production house or YouTuber. My aim is to stay updated with the latest technologies, including operating systems and databases, and secure a challenging and rewarding position at a reputable company.
